### IMPORTANT INFORMATION

Fly Offroad JK Spare Tire Delete is designed to be installed onto a stock, undamaged, Jeep JK tailgate. Installing onto a damaged vehicle will void all warranties. This product is intended to reuses your factory hardware. In the case that you may have lost or misplaced the hardware, it may be replaced with Mopar PN 06509043AA or an equivalent M8 X 1.25 30mm long bolt with washer. The panel is RAW alluminum to paited as desired or left RAW.

Feel free to contact Fly Offroad before you begin the installation if you have any questions or concerns.
